

Centennial Coal

Springvale

December 2015 Coal Transport Records

As required under Schedule 4 Condition 19, to the satisfaction of the Secretary the applicant shall monitor and report on:

- a) The amount of coal transported from the site by conveyor, private haul roads and if used public roads (on a daily basis)
- b) Make these records publically available on its website at the end of each calander quarter.

SSD 5594 was granted on the 21st of September 2015. Records of coal transport from the site have been kept on a daily basis in accordance with condition requirements.

This reports covers the period between the 26/9/2015 to 30/11/2015 and has been published on the Centennial Coal Website prior to the 30/12/2015 in compliance with Condition 19.
