

NEWSTAN CCC MEMBERS

The Newstan & Awaba CCC provides a forum for open discussion between representatives of the company, the community, the council and other stakeholders on issues directly relating to the mine's operations, environmental performance and community relations, and to keep the community informed on these matters.

The membership of the Newstan & Awaba CCC comprises an independent chairperson, local community members and other stakeholders, local council representatives and representatives from the Company including the person with direct responsibility for the environmental management of the mine.

The Director General of the Department of Planning has appointed Margaret MacDonald-Hill as the independent chair of the CCC. As an independent chairperson, Mrs MacDonald-Hill will be responsible for convening, facilitating, mediating and advising the committee.
