Minutes were confirmed as being correct.

#### 4. Business Arising from previous Minutes

Business arising is covered in the company report

#### 5. Correspondence

Nil

#### 6. Company and other reports

##### 6.1 Clarence Colliery Operational Report

- Clarence Colliery provided a report on operational activities since the last meeting (see attached). Areas of discussion arising:
- EPL 726. Exceedances notes and recognised that the EPL criteria is now very stringent. Further explanation is found in Section 3.3 of the Clarence Colliery Operational Report
- Clarence Colliery treated water transfer options were discussed in relation to the impact of remaining discharge from the Wollangambe River. This matter is being investigated. Options for transfer into Cox's river / farmers Creek are currently being investigated. CCC suggested that opportunities for re-purpose be investigated.

##### 6.2 Reject Emplacement Area (REA) III Decommissioning and Rehabilitation

- A presentation was given to the CCC in relation to the proposed rehabilitation of REAIII. See attached presentation.

## **7. General Business**

CCC Request that a site visit to the REAIII and the Clarence Water treatment Plant is conducted for CCC members.

## **8. Next Meeting**

The next meeting will be held Monday 24 September, commencing 9.00 am.

The meeting will include the ordinary meeting followed by a site visit to the REAIII and Clarence water Treatment Plant.

Meeting Closed 10.11am
